TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

THE MAN WHO BROKE THE BANK is the observed of all observers, one on whom all eyes are fixed, and who can command the attentions of every man, and the smiles and flatteries of every woman, in the saloon. It is not very frequently that Fortune so smiles on one of her votaries, but when she does, he is a well advised man who departs with his gains ere tempting her fickle favours any further.
